Registered Nurse (RN) – CNO • NCLEX-RN Passed December 2024

PROFESSIONAL SUMMARY

Internationally Educated Nurse (IEN) registered with the College of Nurses of Ontario, with 3 years of hospital-based medical-surgical experience. Successfully passed the NCLEX-RN in December 2024, demonstrating current clinical knowledge aligned with Canadian standards. During immigration and credential bridging (2020–2024), completed a Health Services Office Administration diploma at St. Clair College, deepening understanding of Ontario's healthcare system. Actively seeking Canadian clinical opportunities to re-enter acute care nursing. Committed to safe, evidence-based, patient-centred care.

CLINICAL EXPERIENCE

Registered Nurse – Medical-Surgical Unit

Sacred Heart Hospital, Jalandhar, Punjab, India | January 2017 – November 2019

- Provided direct nursing care to adult patients across a busy medical-surgical unit, managing an average caseload of 8–10 patients per shift.
- Performed comprehensive head-to-toe assessments and ongoing monitoring, escalating deteriorating patients to the medical team promptly.
- Administered oral, IV, and IM medications accurately; monitored for adverse reactions and therapeutic outcomes.
- Developed and implemented individualized nursing care plans in collaboration with physicians and allied health professionals.
- Delivered post-operative care, wound care, and catheter management for surgical patients.
- Educated patients and families on discharge planning, medication adherence, and disease self-management.
- Maintained accurate, timely documentation using Electronic Medical Records (EMR).
- Adhered strictly to infection prevention and control (IPAC) protocols and hospital safety standards.

EDUCATION

Office Administration – Health Services

St. Clair College, Toronto, Ontario | May 2021 – August 2022

- Gained knowledge of Ontario's healthcare administration systems, medical terminology, and health records management during credential bridging period.

Diploma in General Nursing and Midwifery

Sacred Heart School of Nursing, Punjab, India | October 2016 – November 2019

Medical Assistant Certification

India | July 2014 – July 2016

KEY CLINICAL SKILLS

- Patient Assessment & Monitoring (head-to-toe, vital signs, clinical deterioration recognition)
- Medication Administration – PO, IM, IV
- Wound Care, Catheter Care, Post-Operative Nursing
- Infection Prevention and Control (IPAC)
- Care Planning, Documentation & EMR
- Patient & Family Education / Discharge Planning
