PROFESSIONAL SUMMARY

Registered Nurse licensed with the College of Nurses of Ontario (CNO) with clinical experience in long-term care, retirement homes, emergency, and acute care settings. Skilled in geriatric nursing, resident assessment, care planning, medication administration, and infection prevention and control (IPAC). Experienced in managing elderly residents with dementia, chronic diseases, and palliative needs. Strong ability to work in fast-paced LTC environments, respond to emergencies, and collaborate with healthcare teams to deliver safe and quality care.

WORK EXPERIENCE

Registered Practical Nurse (RPN)

White Cliffe Terrace, Ontario

May 2026 to Present

- Provided safe and resident-centered nursing care with collaboration of interdisciplinary team.
- Conducted ongoing resident assessments and contributed to individualized care plans.
- Administered medications and treatments while monitoring resident condition changes.
- Responded to emergencies, falls, and acute changes using clinical judgment.
- Maintained accurate electronic documentation and incident reports (EMR).
- Supervised PSWs and ensured compliance with resident care plans.
- Followed infection prevention and control (IPAC) protocols and outbreak procedures.
